For the perfect fireplace to heat your home.

THE company Chimeneas Calp specialise in the sale, installation and maintenance of pellet stoves, and wood and gas stoves.

Hosting more than 40 models, Chimeneas Calp will help you find the perfect fireplace to heat your home, as well as fitting it for you.

If you are looking to heat up your home, or even to add a beautiful feature to your property, Chimeneas Calp will be able to find and fit the right fireplace for you.

Also offering an official technical service, financing up to 24 months without interest and advice on the best stove for you, Chimeneas Calp is located in Calpe and Benissa.

The company works with the best brands on the market, including Piazzetta, Superior, Edilkamin, Rocal, Hergom and Lacunza and has more than 40 years' experience in the field.

This means that you will have a quality fireplace to heat your home, while their experts will also be able to look after its maintenance.
